Registration
Seminar on Entrepreneurship and Innovation Theory
Winter Term 2021/22
(Registration Deadline: 30.09.2021)

Herewith, I register for the Seminar on Entrepreneurship and Innovation Theory in the Winter Term 2021/22.

20 Students can be accepted to the seminar. In case of more applications the participants will be chosen randomly by a lottery draw. The participants will be informed about their participation until the beginning of the semester.

Topics will be allocated to the participants during the first seminar session on **October 25, 2021** (4 pm to 6 pm). Whether the sessions will be held in the faculty building or via zoom will be communicated as soon as possible. In case I cannot attend this meeting, I will contact Sebastian Telker (sebastian.telker@hu-berlin.de) and will be allocated one of the remaining topics. I accept this topic with my signature on this registration form (may be emailed).

Deregistration is possible in written form until **November 8th, 2021 at the latest**. Any withdrawals after this date cannot be accepted. A failure to submit the paper and non-attendance of the seminar will result in failing this course.

I agree to receiving information via email and to the recording of my personal data for the purpose of the seminar organization.

Please include a transcript of academic records (from Agnes) with your registration and send your documents via e-mail to: entre@hu-berlin.de
