Part 5: Berlin School of Economics & going abroad

Part 6: Q&A (your questions – our answers)

Important:

Please raise your questions by using the chat function. We will address your questions in part 6 (or earlier if need be).

Humboldt-Universität zu Berlin

- Berlin's oldest university
- In 1810, Wilhelm von Humboldt's vision for a new type of university became reality
- His vision:
 - to uphold the ideal of research without restrictions
 - to provide an all-round education
 - the unity of research and teaching
- → Humboldt created a new type of university that soon became popular all over Germany

Fotos: Heike Zappe | HU
