

Wirtschaftswissenschaftliche Fakultät

Professur für Entrepreneurial and Behavioral Decision Making
Professor Dr. Christian D. Schade

Registration
Seminar Innovative Entrepreneurship
Summer Term 2022

Herewith, I register for the Seminar Innovative Entrepreneurship in the Summer Term 2022.

20 Students can be accepted to the seminar. In case of more applications the participants will be chosen randomly by a lottery draw. The participants will be informed about their participation until the beginning of the new semester.

Topics will be allocated in the first seminar session on April 25, 2022 (2 pm to 4 pm). Whether the sessions will be held in the faculty building or via zoom will be communicated as soon as possible. In case I cannot attend this meeting, I will contact the Chair (entre@wiwi.hu-berlin.de) and will be allocated one of the remaining topics. I accept this topic with my signature on this registration form (may be emailed).

Deregistration is possible in written form until **May 9th, 2022 at the latest**. Any withdrawals after this date cannot be accepted. A failure to submit the paper and non-attendance of the seminar will result in failing this course.

I agree to receiving information via email and to the recording my personal data for the purpose of the seminar organization.

Please include a transcript of academic records (from Agnes) to your registration and send your documents via e-mail to: entre@hu-berlin.de.

Deadline for the registration is March 31, 2022.

Registration
Seminar Innovative Entrepreneurship
Summer Term 2022
